

HI-TECH

Hi-Tech Audio Systems Pvt. Ltd.

Hi-Tech Audio Systems is one of the largest System Integrator / Dealer / Distributor of Professional Audio Video System in India.

“ **Hi-Tech Audio Systems** ” was established in the year 1990. Since then, we have been successful in catering to the growing need of our esteemed clientele in the country.

With the wide range of sophisticated equipment from **Harman ProGroup** (which comprises of Companies like **AKG Acoustic, BSS Audio, Crown, DOD, Lexicon, Studer, JBL Professional** , and **Bosch (formerly Philips)** – All leaders in the field of Professional Audio / Video, Surveillance equipment and Microphones, we, at Hitech, are fully geared to handle / provide solutions to all acoustic problems and security requirements of our varied customers. In **Communication, Security and Imaging** , we offer variety of solutions - from simple and stand alone equipment for small businesses and community halls, through more versatile systems for sports and recreation centres, to large and complex installations for department stores, factories, hospitals and airports.

As a one-stop Company, Hitech provides complete range of services ranging from **Consultancy, Design, Supply, Installation, Testing, Commissioning and Annual Maintenance** of the above systems, thus serving our customers in a professional manner, providing quality product, service and value for money, with strict adherence to business ethics.

We strongly believe that our success lies in the satisfaction of our customers and we are committed to earning and maintaining their satisfaction and loyalty.

We feel proud to mention that we have been adjudged as the “ **Best All India Bosch (formerly Philips) dealer**” for **six years** , which itself speaks volumes of the sincerity and dedication of our work force.

We have a work force of **65 qualified, experienced and dedicated professionals** in their respective field. Most of our sales & service engineers have undergone training in India and abroad and we are in a position to provide complete range of services from Supply, Installation, Testing & Commissioning and Annual Maintenance of the above systems. We have resident engineers stationed at Mumbai, Kolkata, Chennai & Trivandrum to cater to our regional customers.
